

# Get That Next Role

What if you could dramatically increase the likelihood of becoming the candidate of choice?

What if you understood things about the recruitment process that your competitors don't understand?

What if you could set your job search process up, with practical and step-by-step guidance, that works?

Imagine being rejected for an interview or getting to the interview and being overlooked for the role, because you don't know how to give them what they need, a compelling career story. How are you going to feel if you miss out on that next opportunity or promotion because your pitch doesn't stand up? What if this happens over and over again and you can't break through and secure that next exciting role?

The "Get That Next Role Webinar Series" is going to take you on the journey to achieving improved, positive job search outcomes. Using the Yellow Box 5 stage model, we will guide you through a unique and compelling analysis of the psychology that underpins how to secure that next career opportunity. You will get tools, templates and techniques that will change your job search activity. You will learn how to build influence and impact, develop a career message that stands out, creating a presence that demands curiosity and connection. You will explore, strategize and develop activity that will get you to the table and finally understand how to control and influence a successful job search outcome.

*"It's uncommon that I get to spend so many engrossing hours on myself and my brand, with this level of professional and encouraging scaffolding."*
